

EASY 9000

EASY 9000 is an airless electric diaphragm pump, medium power, designed for spraying all products used in building, mechanics, woodworkings, carpentry, etc.

This is a very strong and handy pump with a very easy maintenance.

Pressure Diagram:

Suggested Application:

- Building: Painting
- Carpentry
- Body shop
- Mechanical Industry
- Wood industry

Construction specifications:

The electric motor EASY 9000 is H class, that means: maximum quality and safety. It can work in very bad conditions and with very high temperature. An automatic system stops the pump when exceeding the electric safety limits. The head block is in aluminium, the valves are in tungsten carbide.

Technical Data:

- Motor:	Electric, singlephase
- Volt:	230 Volt/50 Hz
- Power:	2 HP
- Weight:	41 kg
- Max. Pressure:	220 bar
- Max. Tip.:	.041"
- Max. Delivery:	7,5 lt/min
- Max. Delivery with tip .041":	4,5 lt/min at 140 bar
