WIT BLACK "M"

WIT BLACK "M" is an airless electric diaphragm pump, medium power, designed for spraying all products used in building, mechanics, wood-workings, carpentry, etc.

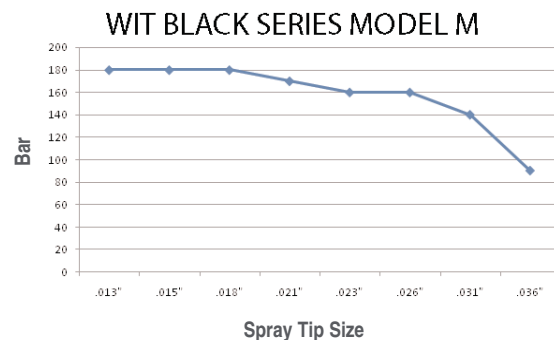

This is a very strong and handy pump with a very easy maintenance. WIT BLACK "M" can work constantly also with hoses up to 100 mt long.

Construction specifications:

The electric motor WIT BLACK "M" is H class, that means: maximum quality and safety. It can work in very bad conditions and with very high temperature. An automatic system stops the pump when exceeding the electric safety limits. The head block is made of aluminium alloy (STAINLESS STEEL ON REQUEST), valves are in tungsten carbide. WIT BLACK "M" has been designed for an easy maintenance.

The airless system allows a high working speed and reduces the overspray, therefore paint and solvent saving. Less overspray means also less pollution and benefits for the worker's health!

Pressure Diagram:

Target Coatings:

| | |
|--|---|
| Lacquer / varnish / enamel (low visc.) | ■ |
| Primer / latex / enamel (med. visc.) | ■ |
| 2 component (med. visc.) | ■ |
| Low solvent & solvent free coatings (high visc.) | ■ |
| Insulation and high visc. building coatings | ■ |
| Fire-proofing coatings | ■ |
| Water-proofing coatings / bituminous coatings | ■ |
| Plasters / ready-mix gypsum | ■ |
| Resins / Injection's coatings | ■ |

Technical Data:

| | | |
|---------------------------------------|----------|-------|
| Volt | 230 Volt | |
| | 50 Hz | |
| Power | 2 HP | |
| Max. Free Flow Delivery | ltr/min | 6,5 |
| Max. Delivery with tip | ltr/min | 4,5 |
| Max. Spray Tip | 1 Gun | 0,031 |
| | 2 Guns | 0,018 |
| Max. Working Pressure (bar) | 220 | |
| Max. length HP hose mt. | 100 | |
| Max. length HP hose (elevation) mt. | 100 | |
| Weight | kg. | 41 |
| Max. suggested Viscosity (Centipoise) | 400 | |
